Once again I write to invite you to our Annual Association Dinner and Awards Presentation which as usual will be held at “The Hostess Restaurant”. again on the last Saturday of January which I thought last year to be a more suitable date than earlier in the month, although for motorsport people there is always some event or another taking place.

This year the Association’s Championships have proved to be very successful, the Road Championship being unaltered from the last few years with the Registrar working on the theory that “If it ain’t broken don’t fix it”. The Stage Championships have been merged into one overall championship, there being overall awards for the best three drivers and co-drivers and then overall awards for the best two drivers/co-drivers in both tarmac and gravel events along with class awards for both disciplines. Although the first year for the changes, they have proved very popular as the number of registrations has been higher than for many years. Also we have had a number of new trophies awarded to the Association in the last two years; my thanks go to all the people who kindly gave these very good quality awards. My thanks also to the two Registrars who work tirelessly throughout the year putting the championships together and managing them, you know who you are.

This year again we have managed to keep the dinner cost the same as the last two years, thank you to Mr and Mrs Walker, also thank you to you all at “The Hostess” for the help and assistance you give us with this special evening for the Association. My thanks to everyone supporting the Association.

I wish you all a very Merry Christmas and a prosperous New Year.

Dennis Turner – EMAMC Awards Secretary.
