- 2.2.1** All entry lists must show which competitors are registered contenders.
- 2.2.2** All entry lists must show which vehicles are four wheel drive.
- 2.1.3** Event regulations must include the current EMAMC Ltd sponsors advertisement.

2.3 E.M.A.M.C. Road and Historic Rally Championships.

- 2.3.1** All entry lists must show which competitors are registered contenders.
- 2.3.2.** The **only** types of **navigation** permitted on Championship events are as follows:-

a. Map References (MRs)

- If MRs are out of order they **MUST** be numbered or lettered.
- If MR "avoids" (black spots) are used they must also be in number or letter order in the on-going direction of the route.
- Roman numerals or other coding of MRs must not be used e.g. A=1, B=2 etc.

b. Tulip Diagrams

- All tulips **MUST** have "heads" and "tails".
- If out of order, all tulips must be numbered or lettered (again no Roman numerals).
- "Mirror image" tulips must not be used.

c. Herringbones

- All herringbones **MUST** be straight (i.e. not circular or in a geometric pattern).
- "Mirror image" herringbones must not be used.
- All herringbones must have start point (i.e. no guessing which end to start).

d. Grid lines

- Either in order or, if out of order, they must be numbered or lettered.

e. Spot Heights (SHs)

- Either in order or, if out of order, they must be numbered or lettered.
- SHs must not comprise a mathematical calculation (e.g. "pass through 8 SHs totalling 798 metres").

f. Photocopies of maps

- Self-explanatory.

2.3.3. Events **must conform to the following use of **code boards**:-**

- Code boards must **NOT** be secretly located i.e. they must either have a specific map reference or be specified between two reasonably close parameters on the map e.g. "PCA is between tulip junctions 3 and 4" or "PCB is in the SW quarter of KM square 1234".
- Code boards must conform to the MSA ruling, regarding size and maximum number of digits (note - there is no minimum number of digits).
- Code boards situated on not-as-map grass triangles **MUST** either have a sketch plan in the route instructions or a standing instruction in the pre-event paperwork saying "go the long way round all those junctions specified as GT in the handouts".

2.3.4. If regularity **sections** are used, any calculations required must be sensible and able to be computed "in the head" - thus instructions such as "drive at 23.7 mph to the tenth junction and then at 25.8 mph to the sixth spot height" are **NOT** allowed!

2.3.5. At least two **rejoin points** plus the rest halt **MUST** be given at the start. At least a further two rejoin points and the finish must be given at the rest halt (or before).

2.3.6. Organisers are free to use **white roads** as they deem fit **BUT** the approximate amount of white mileage must be stated in the event regulations and whether a sumpguard is recommended. Be honest!

2.3.7. Event **regulations must comply with the following:-**

- They **MUST** state that the navigation will conform to the EMAMC standards and (for the benefit of novices) contain examples of the types being used.
- A copy of the draft regulations for either new events or established events but with a new Clerk of the Course must be sent to the Road Rally Co-ordinator for vetting.
- They **MUST** include the current EMAMC sponsor's advertisement.

2.3.8. Note. As the **East Anglian Classic Rally** is purely for Historics the event has special dispensation to vary some of the "rules" outlined in paragraphs 2.3.3 to 2.3.8.

1.6. **Classes:**

1.6.1. Competitors will compete in three classes as follows:

Class 1	Novices
Class 2	Semi-Experts
Class 3	Experts

1.6.2. A “**Novice**” is defined as any competitor who has never competed on a National B or higher status rally before 1st January 2003.

A “**Semi Expert**” is defined as a) any competitor ineligible to be a novice, plus b) any competitor who was not classed as an expert in any previous EMAMC Road Rally Championship, plus c) any competitor who does not manage three or more top ten results on the individual EMAMC Road Rally Championship Category 1 Rounds during 2004. (It is

therefore possible from definition “c” for a Semi-Expert to be automatically elevated to the “Expert” class as the season progresses.)

An “**Expert**” is any competitor who is not a Semi-Expert or a Novice.

Note – The above definitions bear no relationship to the individual event definitions for expert, semi-expert and novice classes. (Thus, it is quite possible, for example, for a contender to enter as an expert on a particular event but still be a novice in the Championship, or vice versa).

1.7. **Scoring:**

1.7.1. All contenders will be required to display on each side of the competing vehicles the decals provided by the Championship Promoters on all Championship Events. The decals must be kept in a legible condition and failure to do so may result in the forfeiture of points. Contenders will be required to sign an EMAMC signing-on sheet at the start of each Championship round.

1.7.2. Points will be allocated to an individual driver or navigator based on the overall positions on the following basis:

Points	60	55	51	48	46	45	1

Category 2 Events

Overall Position	1	2	3	4	5	6	44 or over
Points	50	46	43	41	40	39	1

Category 3 Events

Overall Position	1	2	3	4	5	6	37 or over
Points	40	37	35	34	33	32	1

1.7.3. No contender can score on more than five category 1 events.

1.7.4. All non-finishers (except “exclusions” for unsporting behaviour or bringing the sport into disrepute) will receive 1 point (subject to the maximum number of events to count).

1.7.5. All contenders who wish to score points on the **EMAMC ADR Accident Repair Centres Road Rally Championship 2004** MUST, during 2004, have marshalled/organised on at least one of the above events. Contenders will be required to obtain a qualified certification of this, which will need to be accepted by the Co-ordinator before championship positions are declared final. Failure to marshal means forfeiture of all points at the end of the year.

1.7.6. Any contender who elects to marshal on a **second** event shall receive points equivalent to fifth place appropriate to the category of the event being marshalled (subject to the maximum number of events to count). This second marshalling duty is not compulsory.

1.7.7. Marshalling duties or points cannot be awarded to any competitor who retires on an event and subsequently volunteers to marshal later on that same event.

1.7.8. Points from the Championship Events will then be placed in ascending order to create a Championship table. The Overall Champion shall be the contender with the highest number of points.

1.7.9. In the event of a tie at the end of the season, the following will be used to determine a clear result:

1. The greatest number of overall wins
 2. The greatest number of second overall placings
 3. The greatest number of third overall placings etc. until the tie is broken.
- 1.7.10. Results will be published in the **EMAMC ADR Accident Repair Centres Road Rally Championship** Bulletins, which will be issued to all Registered Contenders at least six times throughout the year. Championship tables will be displayed at Championship events. **The onus is on the competitor to report any errors or omissions.**

Ten Events run ~ Seven to count	Nine events run Seven to count
Eight Events run ~ Six to Count	Seven Events run ~ Five to Count
Six Events run ~ Five to Count	Five Events ~ All to count
Four Events ~ All to Count	Less than Four Events ~ Championship cancelled

1.5.2. It is the competitors responsibility to obtain regulations and submit entries for each event. The **E.M.A.M.C.** cannot be held responsible for any entries refused.

1.6. Classes:

1.6.1. Competitors will be divided into classes based on the engine size and configuration in which they are competing as follows:

Class 1 up to 1400cc	Class 4 2001cc and above
Class 2 1401cc-1600cc	Class 5 Four Wheel Drive Cars
Class 3 1601cc-2000cc	

1.6.2. All Four Wheel Drive Cars on events will, for the sake of the Championship Results, be placed into Class 6.

1.6.3. Turbo cars will be subject to the MSA capacity equivalent formula.

1.6.4. Vehicles which can only comply with K.37.1.3. are **NOT** eligible for this Championship.

1.7. Scoring:

- 1.7.1. All contenders will be required to display on each side of the competing vehicles the decals provided by the Championship Promoters on all Championship Events. The decals must be kept in a legible condition and failure to do so may result in the forfeiture of points.
- 1.7.2. Points will be awarded in the Championship with reference to class positions in the official results and relative to the contender's performance in his/her class against other East Midlands registered contenders on the event, on the following basis:

Class Position	1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th	9 th	10 th	11 th or lower
Points	25	20	16	13	11	10	9	8	7	6	5

In addition 1 point will be scored for each EMAMC starter beaten in class up to a maximum of 5 points. Also 2 points will be awarded for starting the main event but not being classed as a finisher.

The Overall Champion shall be the contender with the highest number of points amalgamated from all classes. Points from the Championship Events will then be placed in ascending order to create a Championship table.

- 1.7.3. Contenders may be required to sign an **E.M.A.M.C.** Signing-on Sheet at the start of each Championship Round.
- 1.7.4. In the event of a tie at the end of the season, the following, in order, will be used to determine a clear result:
1. The greatest number of highest point scores
 2. The greatest number of second highest point scores
 3. The greatest number of third highest point scores, etc.
 4. Should the tie still remain then the competitor with the car of lesser engine capacity (MSA capacity equivalent formula to apply) shall be the winner.
- 1.7.5. Results will be published in the **E.M.A.M.C.** Championship Bulletins, which will be issued to all Registered Contenders. Championship tables will be displayed at Championship events. The onus is on the competitor to report any errors or omissions.

1.8. **Awards:**

- 1.8.1. The awards will be presented at the **E.M.A.M.C.** Awards Presentation to be held early in 2005 and will be awarded as follows:
