It is my pleasure again to welcome everyone to our Association Annual Dinner and Prize Presentation, at "The Hostess". It is your time to spend with your friends and competitor friends that you usually see on events when you have no time to spend socially.

This year we have had three Championship's. Firstly, the Stage Championship which has again had a very good overall entry with nine events throughout the year. Ran from March to December, as the year went by competitors found very different weather and stage surface conditions.

Also, the Road Rally Championship ran again with a smaller number of competitors, the Championship included the Peak Trophy. As time goes by road rallies are becoming much more difficult to organise mainly due to more and more restrictions that are included in the "Sporting Regulations".

Now in it's second year of running we had the Autosolo Championship. This was successful last year and again has had a good number of entrants.

My thanks to all three Registrars for their time and effort in putting everything together to make these championships run smoothly with no problems throughout the season.

My thanks also to Andrew and all the staff at "The Hostess". They always provide us with a very successful evening. Restaurants like "The Hostess" are few and far between and handle every aspect of the evening for us. I have not known a problem all the many years of our evenings at "The Hostess".

Many thanks again to all and wishing everyone a Happy Christmas and a successful New Year.
